Jewelry students at Appalachian State University will be transforming donations into radically fresh and responsible jewelry. The project will culminate in a Pop Up Shop where these wearable creations will be displayed and sold. You can help by donating some of the smallest items in your home, jewelry, for reuse and recycling. Donors will receive a discount coupon to apply toward the purchase of a new piece.

To donate jewelry of any quality, quantity, or material type, submit the official project donation form, available at http://www.art.appstate.edu/ along with your jewelry to the ASU Art Department office in Wey Hall or at one of the listed donation drop-off locations.
